By order and in the name of the Governor of Goa.

G. S. Zuarkar, Under Secretary (Budget).

Panaji, 29th August, 1994.

Order

No. 15-6-93/PLG(CC)

The Goa State Computer Centre (GSCC) was set up in the year 1986 to cater to the needs of computerisation and processing of the information relating to various activities of the different Departments in the State. Later, the Government of India have also set up a Centre N. I. C. Goa State Unit to help the State Government in the process of computerisation of information.

2. It was felt that there is duplication of efforts both by the Centre and the State Government and hence merging these two units will not only save the State financial resources substantially but the infrastructure of both the units can be put to more effective use.

3. With the above objectives, Government has decided to merge Goa State Computer Centre with the N. I. C. Goa State unit on the following conditions:-

1. The merged centre will be called NIC Goa State Unit (NIC-GSU). It would continue to run all the existing applications of the Goa State Computer Centre. For new applications, the priority will be decided by the NSCC under the Chairmanship of the Chief Secretary, Government of Goa, or his nominee.

2. NIC would install new State-of-art computer equipment provide manpower and software support for creation of databases for planning and decision making purposes in the State Government Departments. NIC-GSU would also be integrated with NICNET through satellite communication to bring the State at par with the other State Governments in computer and communication technology.
3. NIC-GSU would function from the existing premises of GSCC. As per the memorandum of Understanding (MOU) already signed between NIC and the State Government, the monthly rent, electricity and water charges for NIC-GSU would be borne by the State Government.
4. Some assets of GSCC, without any encumbrances, would be transferred to NIC-GSU on a token payment of Re. 1/- on the date of merger. The list of assets to be transferred and retained by the State Government are shown at Annexure I & II.
5. NIC would absorb all the existing technical staff of GSCC. The pay scale and basic pay of the staff so absorbed would be protected. NIC would make offer of appointments to each individual on the above lines for the individuals to join on the date of merger. The staff would be governed by the S & T policy of flexible complimentation and their past service would count for review, promotion and other retirement benefits.
6. NIC would absorb one UDC & LDC and one Jr. Steno from among the administrative of GSCC. As is true with such lateral inductions, the staff so absorbed have to be placed below the NIC existing staff in respective cadres in the Western Region of NIC. However, the UDC and LDC if absorbed, will not be adversely affected by such absorption.
7. The State Government will provide the services of two watchmen, one peon and one sweeper (daily wages) to NIC-GSU for its proper functioning.
8. The above merger will take effect from 1-10-1994.

By order and in the name of the Governor of Goa.

Dev Trivedi, Commissioner & Secretary (Finance).

Panaji, 29th September, 1994.
